

COVID-19 Update

To Our Valued Customer,

At USA Auto Glass, Inc. our customer's safety is our top priority. As of now, auto repair is considered an essential service in the state of Florida in the wake of the COVID-19 Coronavirus pandemic. USA Auto Glass, Inc. will remain open at the time to assist our customer's needs in compliance with regulations dictated by both local and federal mandates.

We are taking extra pre-cautions within our staff and facility. Employee cleansing and sanitation has been strongly implied and include the following:

1. Any employee that feels sick or exhibit symptoms is required to stay at home and cannot return to work for at least two weeks or symptom free with permission granted from the owners.
2. Employees will practice frequent and thorough hand-washing throughout the day, and maintain a 6 foot distance from all other people at all times.
3. Our technicians and office staff are required to wear gloves at all time throughout the day while handling glass, accessories, paperwork, pens, tablets, and phones. Gloves will be replaced frequently after each use and interaction with each client/customer.

We cannot emphasize enough on the importance of our employees and customers safety. We will continue to update you with any information in regards to any changes in our operations. As of now, we will continue to provide you with the best quality service that USA Auto Glass, Inc. does for each customer. We hope you stay safe and healthy!

Sincerely,
Jose Gomez
CEO
